

VOYAGE 440

VOYAGE yachts

VOYAGE yachts, manufacturers of multiple award winning cruising catamarans, boasts its product range as stylish, elegant and performance oriented.

Known in the sailing world as blue water cruising catamaran builder, **VOYAGE yachts** builds with meticulous attention to detail and highest international standards.

The range of **VOYAGE yachts** products are CE certified and acknowledged for their quality, performance, ease of handling and low maintenance.

The VOYAGE 440

Winner of the **Overall Best Cruising Boat, Best Cruising Multihull** and the **SAIL Top Ten** in **2002**.

Known as a premier cruising and charter vessel the VOYAGE 440 showcases itself in performance sailing, and it's upwind overall sail ability.

d e l u x e

Queen size berths with en suite bathrooms. Large open plan saloon and galley area with Spacious shaded cockpit. All elements that make for a superb cruising lifestyle.

distinct

Narrow entry bows and sleek hulls, boasts elegance and a distinct profile.

original

Large open cockpit with walk through to the stern platform makes easy and unmatched access to the water.

practical

High quality low maintenance finished surfaces, as well as efficient accommodation configuration renders the **VOYAGE 440** not only pleasurable but also a feasible vessel for charter purposes.

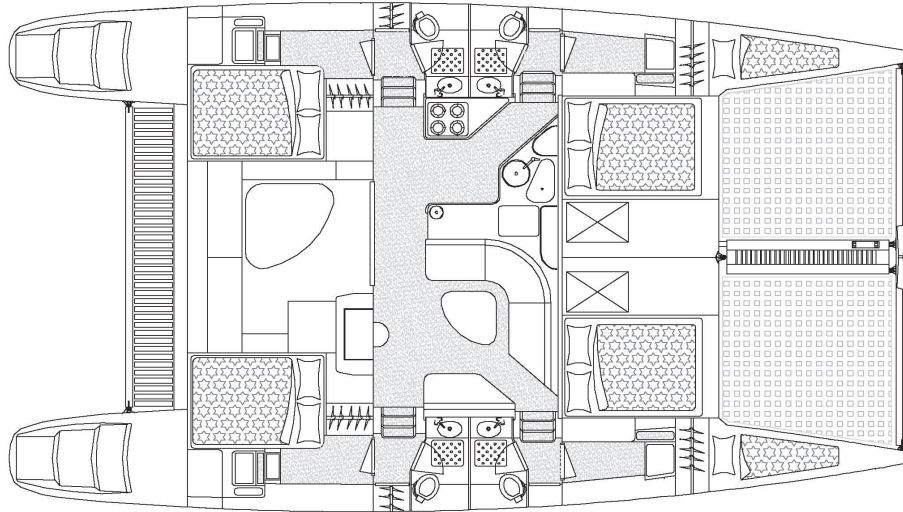

sporty

The performance characteristics for which **VOYAGE yachts** have become known are attributable to the slenderness ratio of the hulls, overall beam and associated sail plan.
